

Security Update:

If your contact information has changed recently or there have been any changes or updates to your authorized pickup list, please make sure to check with the office so we can make sure your child's file is accurate.

Changing Seasons

Everyone knows the saying: "April showers bring May flowers" but in our part of Texas, May is when summer starts to heat up. One of the biggest dangers is how hot our cars get. The temperature in a parked car can easily jump to over 150F/65C in a very short period of time, even with the windows partially open. Remember, children and pets can never be left in a parked vehicle.

Summer Programs

Summer is heating up at MSSL! Our summer program for schoolers Kindergarten through 7th grade is built around exciting weekly themes and fresh STEAM (Science, Technology, Engineering, Arts, and Mathematics) projects. In addition to making the summer fun, we will imbed summer skills content into each week so that our children are ready for the next school year while keeping their summer a fun vacation.

Our preschool program will also draw from fun weekly themes to spice up their summer curriculum along with the addition of Splash Days and other fun extras for June and July.

MSSL NEWS

MAY 2018

Upcoming Events

Thursday, May 3th: Kindergarten Night

From 5:00 PM to 6:00 PM we will host an information session and chat regarding the value of the leadership year in the primary classroom.

Friday, May 4th: Picture Day

Starting at 9am, we will have InFocus on site to do spring portraits for students.

Friday, May 4th: Cinco de Mayo (Observed)

Classrooms will be holding our annual Cinco de Mayo parties a day early on Friday the 4th.

May 7st to May 11th: Teacher Appreciation

This week is dedicated to showing our appreciation of the valuable and hard work done by teachers.

Sunday, May 13th: Mother's Day 2018

Tuesday, May 25th: Graduation

On the morning of May 25th we will have the graduation program for our Primary class students who are completing their Kindergarten year. *Please note that only those graduating from their leadership year will walk for graduation.*

Ceremony schedules and the list of our 2018 graduates will be sent by email shortly.

Monday, May 28th: Memorial Day - CLOSED

MSSL will be closed for Memorial Day 2018

Keeping Bug Safe

As summer warms up, insects and bugs can be a nuisance! Please apply repellent (and sunscreen) in the morning before you drop your child off.
