

## **Hurricane Season:**

With September having only just arrived, we are already looking at storms F and G for the Atlantic Hurricane season. Preparedness is vital. Make sure to keep important items and documents stored where they will be easy to take with you in an evacuation or where they are best able to weather any storm that comes our way.

## **Parking Lot Safety:**

When walking with children, please have them stay with you or hold hands for safety's sake. Although our parking area is designed with safety in mind, it is good to build good parking lot safety habits from the start. Also, while driving in the parking lot, please keep your speed down and watch for other families coming and going from the school.

## **Uniforms:**

If you have not done so already, make sure to get your uniforms ordered from [FrenchToast.com](http://FrenchToast.com)! Use our school code, QS5JGCN, so your uniforms will be right and have the proper embroidery.
